

***PRAYER FOR A NEW DAY [3-02]***

**Here! A bright new day doth beckon.  
Now! A fresh new life begins.  
O'er this path I'm soon to reckon,  
Lord, cast there my mortal sins.**

**Let me greet this new day dawning;  
Blot all sorrow from my mind.  
Free me from all earthly haunting,  
Leaving doubt and woe behind.**

**Halt dear Lord, this frantic hurry.  
Wrest these burdens; rest my soul.  
Lift from me all want and worry,  
Make me pure Lord, make me whole.**
