

RING OUT YE JOYFUL BELL [9-03]

**Ring out, ring out, ye joyful bell,
For long-lost souls, forsaken.
For those cast down the road to hell,
Ring for the path they've taken.**

**Ring for all with judgment right;
Their courage stands alone.
For our young and old who rose to fight,
Ring for their bravery shown.**

**Ring for our sons and daughters, proud,
Who died to keep us free.
For the rays of sun behind that cloud,
Ring that we all might see.**

**Ring for the sadness in this land,
For a blessing to quell and heal.
Lord knows, this evil shall not stand,
Ring forth His truth--reveal.**

**Ahh yes, ring out, ye joyful bell,
For us whose faith is blind.
For evermore, pray peace shall dwell,
Ring clear for all mankind.**
