

THE PELT AND THE FEATHER [4-01]

**The pelt and the feather,
A Cherokee's love.
The wolf of the nether,
The eagle above.**

**A life in the high blue,
A life in the glade.
A path to'rd the heart, true,
Glad spirits have made.**

**Comes forth now the lightning
And thunder and rage.
Sweet death to those fighting,
Sad dawns a new age.**

**A nation asunder,
Shamed miseries wrought.
Pure beauty and wonder,
Through eons-is naught.**

**The pelt and the feather,
A Cherokee's love.
The wolf of the nether,
The eagle above...**
